Declaration

Whereas, reinforced concrete pipe and precast concrete products are of vital importance to sustainable communities and to the health, safety, and well-being of the people of Utah;

Whereas, it is in the public interest for the citizens, civic leaders, and children in Utah to gain knowledge of and to maintain a progressive interest and understanding of the importance of reinforced concrete pipe and precast concrete in their respective communities, that it is made of all natural materials; rock, sand, water, and cement, which Utah supplies; and,

Whereas, we thank our reinforced concrete pipe and precast concrete industry producers, Mountain States Concrete Pipe Association and American Concrete Pipe Association members, and all Utah employees associated with this industry for the infrastructure they provide our communities, contributing to the health, safety, welfare, and quality of life found in Utah;

Now, therefore, I, Gary R. Herbert, Governor of the great State of Utah do hereby declare August 20-26, 2017, as

Concrete Pipe Week
